

List of Reviewers

The peer review process, which is central to the academic rigor of a peer-reviewed journal, is sustained by the dedicated efforts of researchers who voluntarily review manuscripts. As the editorial team, we thank all the reviewers who carefully examined the articles submitted from January 1 to December 31, 2025, guided the authors, and contributed to improving our scientific quality.

We are honored to acknowledge the following reviewers for their exceptional service to Educational Point in 2025, listed in alphabetical order:
